Do that by creating a sales web page for the new ebook, but do not embody a value on that page. As an alternative, add numerous links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to check out prices by making a variety of duplicate sales pages with totally different costs on every page. Make sure your sales copy is precisely the similar on every page, and

contains your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your site and gross sales of your book. This will let you know what your optimum worth is.
