An effective technique for determining a price is to send out a survey to your present customers. If these clients have already bought an e book from you, ask for his or her opinion by way of price. Do this by making a gross sales web page for the brand new e-book, but do not embrace a worth on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with different prices on every page. Be certain that your sales copy is exactly the same on every page, and contains your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your web site and sales of your book. It will tell you what your optimum price is.

Ultimately, in the event you've written a ebook that solves a downside or presents a new method, your e-book will usher in each traffic and profits.
