The key that unlocks the sales potential of your e book is to discover a single sentence that becomes your selling handle. This sentence states what question or drawback your guide answers and the advantages your e book can provide. Then be sure you use that sentence in each piece of gross

sales and promotional materials, and each time anyone asks you about your ebook.

Apart from promoting your books assiduously on-line, there are a number of different strategies that can allow you to promote extra books.

Do that by making a sales web page for the new e-book, however don't embrace a price on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out prices by creating a number of duplicate sales pages with different costs on every page. Be sure that your sales copy is strictly the similar on each page, and contains your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your site and sales of your book. This will tell you what your optimum worth is.

In the end, for those who've written a guide that solves a drawback or presents a brand new technique, your guide will bring in both traffic and profits.
