One other technique is to test out prices by creating a variety of duplicate gross sales pages with

completely different prices on each page. Be certain your gross sales copy is exactly the same on every page, and contains your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your website and sales of your book. This can tell you what your optimum worth is.

Finally, should you've written a book that solves a problem or presents a new technique, your guide will bring in both traffic and profits. So make sure to write that promoting-handle sentence that sums up what downside your book solves and what the benefits of your 1764 guide will probably be to the purchasers who buy it.
