promotional material, and each time anybody asks you about your ebook.

An efficient technique for determining a worth is to send out a survey to your present customers. If these prospects have already purchased an e-book from you, ask for their opinion by way of price. Do that by creating a gross sales page for the new ebook, however don't include a worth on that page. Instead, add plenty of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out prices by making a variety of duplicate gross sales pages with totally different prices on every page. Be certain your sales copy is strictly the same on every web page, and contains your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your website and sales of your book. This will let you know what your optimum price is.

Finally, if you happen to've written a ebook that solves a problem or presents a brand new approach, your ebook will bring in each traffic and profits. So you'll want to write that promoting-deal with sentence that sums up what problem your e-book solves and what the advantages of your 1881 ebook will probably be to the shoppers who purchase it.
