Then make sure you use that sentence in each piece of sales and promotional materials, and each time anyone asks you about your ebook.

Besides promoting your books assiduously on-line, there are several other methods that may allow you to sell extra books.

One is to present one thing away free of charge along with your ebook, akin to a precious bonus item. Or bundle a number of ebooks below one price, which lowers the price for each book if they had been bought separately.

An efficient method for figuring out a worth is to ship out a survey to your present customers. If these prospects have already bought an e-book from you, ask for their opinion when it comes to price. Do that by making a sales page for the brand new e book, but do not embrace a value on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to test out costs by making a variety of duplicate sales pages with completely different prices on each page. Make sure your sales copy is exactly the identical on every page, and

includes your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your site and sales of your book. It will let you know what your optimum value is.

Finally, if you've written a e-book that solves a downside or presents a new approach, your e book will usher in both site visitors and profits. So make sure you write that promoting-deal with sentence that sums up what drawback your guide solves and what the advantages of your 1965 guide shall be to the shoppers who purchase it.
