An efficient method for determining a worth is to ship out a survey to your present customers. If these prospects have already bought an e-book from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales web page for the new guide, but do not embody a price on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out costs by creating a variety of duplicate gross sales pages with completely different prices on each page. Make sure that your gross sales copy is exactly the same on every page, and consists of your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. This will tell you what your optimum value is.

Ultimately, for those who've written a book that solves a downside or presents a brand new method, your e book will usher in both traffic and profits.
