price on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Make certain your gross sales copy is strictly the identical on every web page, and includes your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum worth is.

Ultimately, if you happen to've written a e-book that solves a drawback or presents a new technique, your ebook will herald each traffic and profits.
