If these prospects have already purchased an ebook from you, ask for his or her opinion in terms of price. Do that by making a gross sales web page for the new book, however don't include a value on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out costs by making a variety of duplicate sales pages with different prices on each page. Make sure that your gross sales copy is strictly the identical on each page,

and includes your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your website and sales of your book. This may let you know what your optimum value is.

Ultimately, for those who've written a ebook that solves a downside or presents a brand new approach, your e book will usher in both traffic and profits.
