## Advertising Strategies

The key that unlocks the sales potential of your e book is to find a single sentence that becomes your promoting handle. This sentence states what query or problem your ebook solutions and the advantages your ebook can provide. Then make sure to use that sentence in every piece of sales and

promotional materials, and every time anyone asks you about your ebook.

An effective method for figuring out a value is to ship out a survey to your present customers. If these prospects have already purchased an e book from you, ask for their opinion in terms of price. Do this by making a sales web page for the new ebook, but do not include a value on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out costs by creating a variety of duplicate gross sales pages with different prices on every page. Make sure your gross sales copy is precisely the identical on each page, and includes your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your website and sales of your book. It will let you know what your optimum price is.

Finally, if you happen to've written a book that solves a drawback or presents a new approach, your e-book will bring in each site visitors and profits. So make sure you write that promoting-handle sentence that sums up what downside your guide solves and what the advantages of your 432 e book will probably be to the shoppers who purchase it.
