Do this by making a sales web page for the new guide, but do not embrace a worth on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out costs by making a variety of duplicate sales pages with totally different costs on each page. Be certain your gross sales copy is exactly the similar on each web

page, and contains your selling-deal with sentence. Then work out for each web page the conversion ratio between guests to your site and sales of your book. This will inform you what your optimum value is.

Finally, in the event you've written a e book that solves a downside or presents a new method, your ebook will herald both visitors and profits.
