Another strategy is to check out costs by making a number of duplicate gross sales pages with different costs on each page. Be sure your gross sales copy is precisely the identical on every

page, and contains your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your site and sales of your book. This will tell you what your optimum price is.

Finally, in case you've written a e-book that solves a problem or presents a brand new approach, your ebook will bring in both traffic and profits.
