Advertising Strategies

The important thing that unlocks the sales potential of your e book is to discover a single sentence that becomes your selling handle. This sentence states what question or problem your book answers and the benefits your ebook can provide. Then be sure to use that sentence in every piece of sales

and promotional materials, and every time anybody asks you about your ebook.

Make sure your sales copy is strictly the same on every page, and consists of your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your website and gross sales of your book. It will let you know what your optimum value is.

In the end, in the event you've written a ebook that solves a downside or presents a new method, your e-book will bring in each traffic and profits.
